

## Space and Planetary Port Type Oracle

Version 2022-05-15.20 by @InfinityDevil

Designed for use with Ironsworn: Starforged by Shawn Tomkin <https://www.ironswornrpg.com/prod>

Inspired by the Elite Dangerous Horizons video game.

You supply a proper name and roll d100 to add a “type” of space port or planetary port.

E.g. “Williamson”, roll 98, “Williamson Terminal” in space, “Williamson Vista” if planetary

### Space Port

Roll	Result
1-2	arena
3-4	beacon
5-7	city
